My birthday is an important day in my life as well as in Pakistan's birthday. I was born on March 23. That was the day when the Pakistan Resolution was adopted in Lahore in Minar e Pakistan. I'll remember my 12th birthday. It is celebrated in monumental style. My birthday falls on April 13th every year. Baisakhi was also held on the same day. My birthday falls in the spring and the day is very pleasant afterwards. This year a cool and fragrant breeze has blown. All my friends and relatives have been invited for the occasion. A special blue shirt and a pair of black pants were prepared for me. It was a day full of excitement, joy and expectation. The living room is tastefully decorated with colorful floral balloons and paper. In the evening, the celebration begins when all the guests arrive. Then I went into the hall wearing my special clothes. They're all waiting for me. They greeted me by clapping and shake hands The birthday cake was placed on a large table with ten candles fixed on it. It's a big and beautiful chocolate cake. Candles were lit. I blew them out in one blow and then cut the cake. Friends and relatives cheered me loudly, clapped and sang happy birthday to you. I was given a lot of gifts, all beautifully wrapped up. Guests are served cakes, sweets, snacks and soft drinks and tea. Have a lot of fun, have fun doing, laughing and laughing. Children are given toffee and chocolates. As a return gift, each person was given a set of books. When the party was over, I unpacked the gifts. I was surprised to see so many lovely gifts. My father gave me a wristwatch My mother bought me a new bike. I thank my parents for celebrated my birthday in such a big style. I'll remember that day. Play english quiz checkout summarizing free educational tools and dictionaries. Free Essay on My Birthday Party - Last year I celebrated my birthday exactly the way I wanted. My parents told me that I could ask them for anything on my birthday and I asked them to arrange a big party for my friends. My mother is my best friend when it comes to inviting my friends home. She helped me make invitations and filled them out with names. She made a list of all the friends I wanted to call and then made a card to send to each of my friends. The contents of each card are different to match the specific friend's taste with which it was sent. Photo source: Next she took me to the market and we bought balloons and streamers, masks and hats etc. to decorate the house with. We ordered the cake and bought the package along with the gifts returned. When we got to the house, we sat down to work. We put up streamers with tape and hanging balloons all over the walls and on fans and doors and windows. We arranged the masks and hats in such a way that each of my friends would choose one of their options. My mother spent the day in the kitchen cooking for all my friends. The cake came in the evening and soon my friends started pouring in. My father arranged some games for them and he became referee for all our games. He arranged musical chairs, went through parcels, followed leaders, dumb charades etc. and all the kids enjoyed themselves. We had our tea after I cut the cake. The cake was a beautiful house with colorful icing and large blocks of chocolate I had drowned in gifts once my friends left and I went to bed with the satisfaction of getting the best birthday party of my life.
